

You are invited to the 9th Annual
Sagamore Hills Elementary

Art Show

Come experience a wonderful children's art exhibit that will enrich your heart and soul! Take a walk through art history and view Roman Caryatids, Medieval Bestiary Etchings, Venetian Clay Carnival Masks, and Mona Lisa Portraits!

Smile when you see Raphael's Cherubs, James Rizzi Birds and silhouettes inspired by our Atlanta skyline! Student docents will lead you through their art experience, using slide shows and actual demonstrations! Marvel at close to 1,000 works of art by the young artists of Sagamore Hills.

Visit special art-making stations at the show and make fun works of art to remember your unique experience! Create a Medieval Coat of Arms, design a Rose Roundel, make a mini-Impressionist magnet, or try your hand at printmaking!
